RE: Docket No. 97-473
Sprint Spectrum LP

Dear Ms. Helton:

I represent Dr. Albert F. Polk, Jr., who resides at 1269 Standish Way, Lexington, Kentucky 40504. Dr. Polk owns property in Jessamine County, Kentucky, which has a post office address of 5370 Harrodsburg Road, Nicholasville, Kentucky 40356. This farm fronts not only Harrodsburg Road (U.S. 68), but also on the Keen/Troy-South Elkhorn Road (KY 1267).

Dr. Polk's Jessamine County property adjoins land, a portion of which is apparently the proposed site for the construction of a cellular telephone tower. There is a sign posted on same which refers to the aforementioned docket number and Sprint Spectrum, LP, c/o Patricia Hogan, 9000 Wessex Place, Louisville, Kentucky 40222.

It is my understanding from discussions with your staff on December 19, 1997, that Sprint's application has not yet been filed. Nonetheless, I was advised that it would not be premature to voice my client's opposition to the construction of this tower as unsightly and unnecessary in view of the existence of at least three (3) other similar towers in the same general vicinity.

Lastly, it is the primary purpose of this letter to formally request that my client be permitted to intervene as a party to this proceeding. This request for leave to intervene should be considered as one for full intervention.

I would appreciate your bringing this motion to the attention of the Commission.
